Materials You'll Need:

- 14-count white Aida cloth (approx. 5" x 5")
- DMC embroidery floss in the following colors:
 - Dark green (3845)

- Light green (3846)
- Gold (725)
- Red (666)
- White (B5200)
- Embroidery needle (size 24 or 26)
- Scissors
- Optional: Embroidery hoop

Instructions:

1. **Prepare the Aida cloth:** Cut a piece of Aida cloth approximately 5" x 5". If using an embroidery hoop, secure the fabric tautly within the hoop. Otherwise, simply fold the edges of the fabric over by about 1/4" to prevent fraying.
2. **Start stitching:** Separate the six strands of embroidery floss into individual strands. Using a single strand of dark green floss, start stitching in the center of the Aida cloth, following the pattern provided.
3. **Continue stitching:** Continue stitching the pattern using the indicated colors of floss. Be sure to follow the correct number of stitches for each color and symbol in the pattern.
4. **Finish the ornament:** Once you have completed the stitching, cut any excess floss and knot the ends securely on the back of the fabric.
5. **Optional: Frame the ornament:** If desired, you can frame the ornament using a small picture frame or a piece of cardboard covered with fabric.

Additional Tips:

- **Use a magnifying glass:** If you have difficulty seeing the Aida cloth squares, use a magnifying glass to help you stitch more accurately.
- **Take breaks:** Cross stitching can be relaxing, but it's important to take breaks to avoid eye strain and muscle fatigue.
- **Practice first:** Before starting the actual ornament, practice your stitches on a scrap piece of Aida cloth.
- **Experiment with colors:** While we recommend using the suggested colors, feel free to experiment with different shades and hues to create a truly unique ornament.
- **Have fun!** Cross stitching should be enjoyable, so relax and enjoy the process of creating a beautiful holiday decoration.

With a little patience and a lot of holiday cheer, you will have created a stunning Green Star Ornament that will add a touch of festive charm to your home. Whether you choose to display it on your Christmas tree, hang it in a window, or give it as a thoughtful gift, this ornament is sure to bring joy to all who behold it. So gather your materials, settle into a comfortable spot, and embark on a needlework adventure that will create lasting memories and a festive decoration that you'll cherish for years to come.
