About the Journal

Folkloristic Perspectives is a peer-reviewed academic journal that publishes original research on all aspects of folklore. The journal is published by the Folklore Institute at Indiana University Bloomington.

The journal's mission is to promote the study of folklore by providing a forum for the publication of high-quality research. The journal publishes articles that are both theoretically and empirically grounded, and that make a significant contribution to the field of folklore studies.

Folkloristic Perspectives is a leading journal in the field of folklore studies. The journal is indexed in the following databases:

- Arts & Humanities Citation Index

- Current Contents/Arts & Humanities
- MLA International Bibliography
- Social Sciences Citation Index
- Web of Science

Submissions

Folkloristic Perspectives welcomes submissions from scholars in all disciplines who are engaged in the study of folklore. Submissions should be original research articles that make a significant contribution to the field of folklore studies.

Submissions should be formatted according to the journal's style guide. The style guide can be found on the journal's website.

Submissions should be submitted electronically through the journal's online submission system.

Editorial Board

The editorial board of *Folkloristic Perspectives* is composed of leading scholars in the field of folklore studies. The editorial board is responsible for the journal's content and quality.

The current members of the editorial board are:
