

Fresh From The Field: The Essential Guide to Modern Floral Design

By Tim Field

From the co-founder of Appleyard Flowers, one of the most respected names in British floristry, Tim Field's debut book takes readers on a journey through every aspect of modern floral design. With stunning photography and expert insights, "Fresh From The Field" provides invaluable inspiration for anyone who loves flowers, whether they're a professional florist, a keen gardener, or simply someone who wants to bring more beauty into their home.

In "Fresh From The Field", Field shares his passion for sustainable floristry, showing how to create beautiful arrangements with minimal environmental impact. He explores the latest trends in floral design, from the use of seasonal British flowers to the incorporation of sustainable materials. He also provides practical advice on everything from choosing the right flowers to arranging them in a way that will make them last.
