

Literature, Activism, Resistance: A Guide to Indigenous Studies

Indigenous studies is a growing field that examines the experiences and perspectives of indigenous peoples around the world. Indigenous studies scholars use a variety of methods to explore indigenous cultures, histories, and languages, as well as the ways in which indigenous peoples have resisted colonization and oppression.

This book provides a comprehensive overview of indigenous studies, exploring the ways in which literature, activism, and resistance intersect to create a powerful force for social change. The book is divided into three parts:

Violence Against Indigenous Women: Literature, Activism, Resistance (Indigenous Studies) by Patricia Davids
