

Professional Wrestling Rhetoric In The White House: Rhetoric, Politics, And Society

Professional wrestling and politics have a long and intertwined history. From the days of "Gorgeous George" Wagner to the present day, wrestlers have used their platform to promote their political beliefs. In recent years, this trend has become increasingly common, as wrestlers have become more outspoken about their views on issues such as race, gender, and sexuality.

Donald Trump and the Kayfabe Presidency: Professional Wrestling Rhetoric in the White House (Rhetoric, Politics and Society) by William G. Moseley

This book examines the use of professional wrestling rhetoric in the White House. It argues that professional wrestling provides a unique lens through which to understand the political rhetoric of the Trump administration. By analyzing the ways in which professional wrestlers have been used to promote the administration's agenda, this book sheds light on the ways in which the administration has sought to shape public opinion.

Chapter 1: The History of Professional Wrestling and Politics

The first chapter of this book provides a brief history of professional wrestling and its relationship to politics. It traces the roots of professional wrestling back to the carnivals and circuses of the 19th century and examines the ways in which wrestling has been used to promote political agendas throughout history.

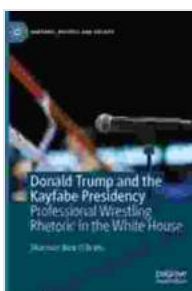

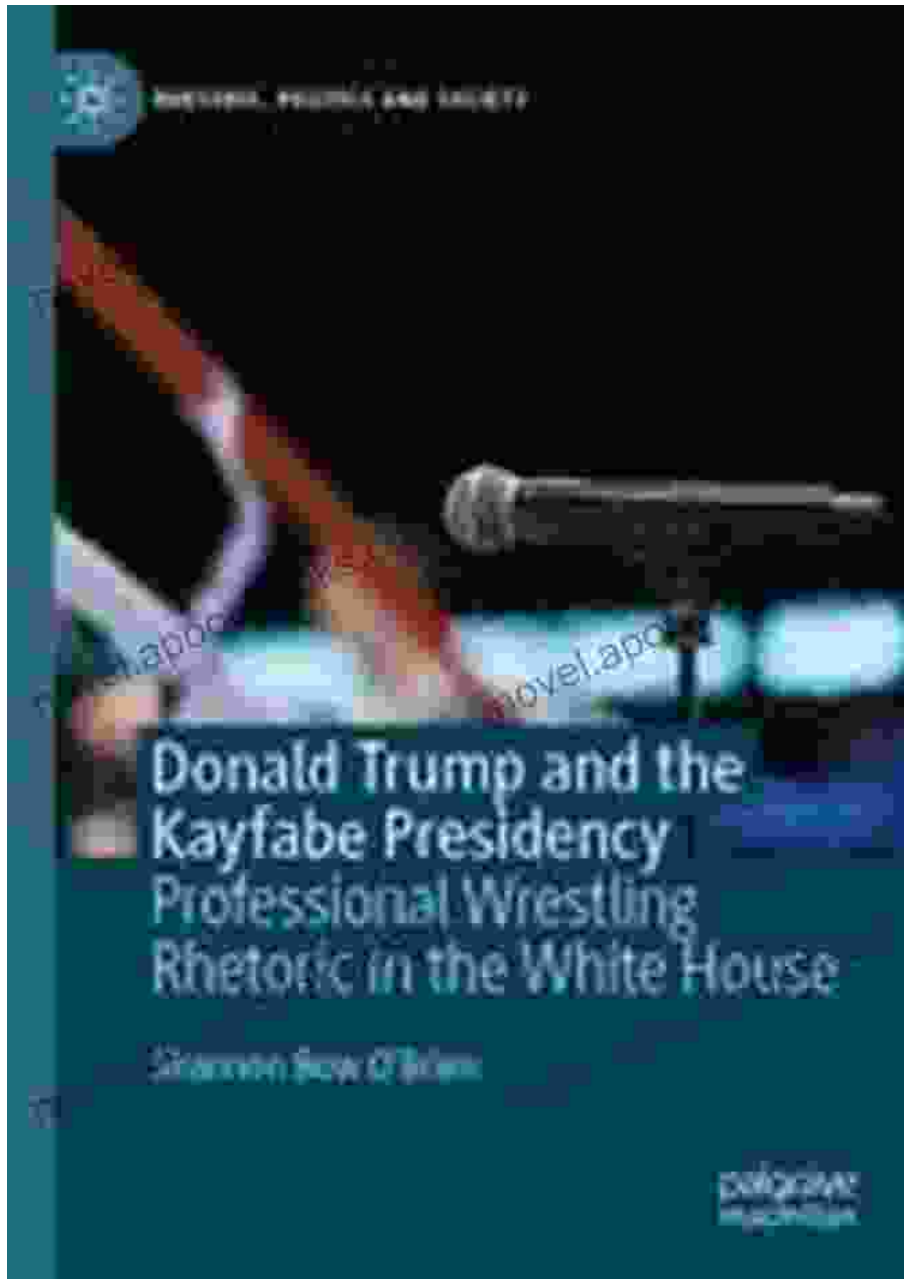

Chapter 2: The Trump Administration and Professional Wrestling

The second chapter of this book examines the use of professional wrestling rhetoric in the Trump administration. It analyzes the ways in which wrestlers have been used to promote the administration's agenda, and the ways in which the administration has sought to shape public opinion through the use of wrestling rhetoric.

Chapter 3: The Impact of Professional Wrestling Rhetoric on American Politics

The third chapter of this book examines the impact of professional wrestling rhetoric on American politics. It argues that professional wrestling provides a unique lens through which to understand the political rhetoric of the Trump administration, and that the use of wrestling rhetoric has had a significant impact on the way in which the public perceives the administration.

This book is a timely and important examination of the use of professional wrestling rhetoric in the White House. It provides a unique lens through which to understand the political rhetoric of the Trump administration and sheds light on the ways in which the administration has sought to shape public opinion.
