self love

Be brave enough to take off the masks you wear out there and get to know who you are underneath. Be vulnerable enough to accept your flaws and know that they are what make you human; they are what make you real. Be confident enough to accept and cherish your strengths. Don't minimize them or hide them... They are your beautiful gifts to share with the world. Be brave enough to say, you know what, all of this is who I am. I make so many mistakes. I can be forgetful, I am messy. But... I am doing my best with what I've got. And I am so proud of that. I am so proud of me. And I am proud of who I am becoming.
