## A History of Innovation

BMW AG was founded in 1916 as a manufacturer of aircraft engines. However, the company soon expanded into the production of automobiles, and it has been a leader in the industry ever since. BMW AG has a long history of innovation, and it has been responsible for many of the most important advances in automotive technology.

For example, BMW AG was the first company to introduce the anti-lock braking system (ABS) in 1978. ABS is now a standard feature on all new

cars, and it has saved countless lives. BMW AG was also the first company to introduce the airbag in 1987. Airbags are now another standard safety feature, and they have helped to reduce the number of fatalities in car accidents.

## **Quality and Performance**

BMW AG's cars are known for their quality and performance. The company uses only the highest-quality materials, and its cars are built to the highest standards. BMW AG's cars are also known for their performance. They are powerful and efficient, and they handle well.

BMW AG's commitment to quality and performance has paid off. The company's cars are consistently ranked among the best in the world. In fact, BMW AG has been named the "World's Best Car Manufacturer" by the World Car Awards for the past five years.

## **Luxury**

BMW AG's cars are also known for their luxury. The company's interiors are spacious and well-appointed, and its cars are equipped with the latest technology.

BMW AG's commitment to luxury has helped to make the company one of the most popular luxury car brands in the world. BMW AG's cars are often seen as a status symbol, and they are driven by some of the most successful people in the world.

BMW AG is one of the world's leading automotive producers because of its commitment to innovation, quality, performance, and luxury. The company's

cars are consistently ranked among the best in the world, and they are driven by some of the most successful people in the world.

If you are looking for a car that is innovative, high-quality, high-performance, and luxurious, then you should consider a BMW AG car.
